# Supernatural Acrylic Spritz

 Revision
 2

 Revision date
 2019-10-24

# SECTION 1: Identification of the substance/mixture and of the company/undertaking

| 1.1. Product identifier  |   |  |
|--|---|--|
| Product name   | Supernatural Acrylic Spritz   |  |
| 1.2. Relevant identified uses of the substance or mixture and uses advised against |   |  |
| Product Use  | <ul> <li>[SU21] Consumer uses: Private households (= general public = consumers); [PC35] Washing and cleaning products (including solvent based products); [AC1] Vehicles;</li> <li></li> <li>[SU22] Professional uses: Public domain (administration, education, entertainment, services, craftsmen); [SU0] Other; [PC35] Washing and cleaning products (including solvent based products); [AC1] Vehicles;</li> </ul> |  |
| 1.3. Details of the supplier of the  | e safety data sheet   |  |
| Company<br>Address   | Dodo Juice Limited<br>Unit 10<br>Golds Nurseries Business Park<br>Jenkins Drive<br>Elsenham<br>Bishops Stortford<br>CM22 6JX<br>UK  |  |

| 1.4. Emergency telephone numb  |   |  |
| Emergency telephone number<br>Company  | +44(0)7891 096802<br>Dodo Juice Ltd<br>24 hr  |  |
| SECTION 2: Hazards identif   | ication   |  |
| 2.1. Classification of the substar   | nce or mixture  |  |
| 2.1.2. Classification - EC<br>1272/2008  | No Significant Hazard.  |  |
| 2.2. Label elements  |   |  |
| Hazard Statement   | No Significant Hazard   |  |
| 2.3. Other hazards   |   |  |
| Other hazards  | The product is classified as non hazardous.   |  |
| SECTION 3: Composition/inf   | formation on ingredients  |  |
| 3.2. Mixtures  |   |  |

## **Revision** 2 **Revision date** 2019-10-24

#### 3.2. Mixtures

#### EC 1272/2008

| Chemical Name                   | Index No.    | CAS No.  | EC No.    | REACH Registration<br>Number | Conc.<br>(%w/w) | Classification  |
|---------------------------------|--------------|----------|-----------|------------------------------|-----------------|---|
| Ethylene glycol monobutyl ether | 603-014-00-0 | 111-76-2 | 203-905-0 |                              | 1 - 10%         | 6 Acute Tox. 4: H332; Acute<br>Tox. 4: H312; Acute Tox. 4:<br>H302; Eye Irrit. 2: H319; Skin<br>Irrit. 2: H315; |
| SECTION 4: First aid measures   |              |          |           |                              |                 |   |

# 4.1. Description of first aid measures

| -  |   |  |  |
|--|---|--|--|
| Inhalation   | Move the exposed person to fresh air.   |  |  |
| Eye contact  | Rinse immediately with plenty of water for 15 minutes holding the eyelids open. Seek medical attention if irritation or symptoms persist.   |  |  |
| Skin contact   | Wash off immediately with plenty of soap and water. Remove contaminated clothing. Seek medical attention if irritation or symptoms persist. |  |  |
| Ingestion  | DO NOT INDUCE VOMITING. Seek medical attention if irritation or symptoms persist.   |  |  |
| 4.2. Most important symptoms and effects, both acute and delayed |   |  |  |
| Eye contact  | May cause irritation to eyes.   |  |  |
| Skin contact   | May cause irritation to skin.   |  |  |
| Ingestion  | May cause irritation to mucous membranes.   |  |  |

#### SECTION 5: Firefighting measures

#### 5.1. Extinguishing media

Use extinguishing media appropriate to the surrounding fire conditions.

#### 5.2. Special hazards arising from the substance or mixture

#### 5.3. Advice for firefighters

Wear suitable respiratory equipment when necessary.

#### **SECTION 6: Accidental release measures**

#### 6.1. Personal precautions, protective equipment and emergency procedures

None.

Ensure adequate ventilation of the working area.

#### 6.2. Environmental precautions

Do not allow product to enter drains. Prevent further spillage if safe.

# 6.3. Methods and material for containment and cleaning up

Absorb with inert, absorbent material. Sweep up. Transfer to suitable, labelled containers for disposal. Clean spillage area thoroughly with plenty of water.

# 6.4. Reference to other sections

SECTION 8: Exposure controls/personal protection.

# SECTION 7: Handling and storage

# 7.1. Precautions for safe handling

Avoid contact with eyes and skin. Ensure adequate ventilation of the working area. Adopt best Manual Handling considerations when handling, carrying and dispensing.

# 7.2. Conditions for safe storage, including any incompatibilities

Store at temperatures between 5 °C and 25 °C. Keep container in a well-ventilated place. Keep containers tightly closed. Store in correctly labelled containers.

# 7.3. Specific end use(s)

Do not breathe gas/fumes/vapour/spray.

# SECTION 8: Exposure controls/personal protection

### 8.1. Control parameters

## 8.1.1. Exposure Limit Values

|        | /EL 15 min limit ppm: 50   | WEL 15 min limit mg/m3:      | 101.2 |
|--------|----------------------------|------------------------------|-------|
|        |                            |                              |       |
| VVEL 8 | 3-hr limit mg/m3 total   - | WEL 15 min limit mg/m3 total | -     |
|        | inhalable dust:            | inhalable dust:              |       |
| WEL 8  | 3-hr limit mg/m3 total -   | WEL 15 min limit mg/m3 total | -     |
|        | respirable dust:           | respirable dust:             |       |

### 8.2. Exposure controls

| 8.2.1. Appropriate engineering controls | Ensure adequate ventilation of the working area.             |
|---|--|
| Eye / face protection                   | In case of splashing, wear:. Approved safety goggles.        |
| Skin protection -                       | Wear suitable gloves. Wash hands after handling the product. |
| Handprotection                          |  |

# SECTION 9: Physical and chemical properties

## 9.1. Information on basic physical and chemical properties

| Appearance                | Liquid                 |
|---------------------------|------------------------|
| Colour                    |                        |
| Odour                     | Characteristic         |
| Odour threshold           | No data available      |
| pH                        | 8.7                    |
| Melting point             | Not applicable.        |
| Freezing Point            | 0°C                    |
| Initial boiling point     | 100 °C                 |
| Flash point               | Not applicable.        |
| Evaporation rate          | No data available      |
| Flammability (solid, gas) | No data available      |
| Vapour pressure           | No data available      |
| Vapour density            | No data available      |
| Relative density          | 1 (H2O = 1 @ 20 °C)    |
| Fat Solubility            | No data available      |
| Partition coefficient     | No data available      |
| Autoignition temperature  | Not applicable.        |
| Viscosity                 | 8 sec. 3 mm (ISO 2431) |
| Explosive properties      | Not applicable.        |
| Oxidising properties      | No data available      |
| Solubility                | Miscible in water      |

9.2. Other information

# Revision 2 Revision date 2019-10-24

| 9.2. Other information               |                                       |                               |
|--------------------------------------|---------------------------------------|-------------------------------|
| Conductivity                         | No data available                     |                               |
|                                      | No data available                     |                               |
| Gas group                            | No data available                     |                               |
| Benzene Content                      | No data available                     |                               |
| Lead content                         | No data available                     |                               |
| VOC (Volatile organic<br>compounds)  | 22 g/l                                |                               |
| SECTION 10: Stability and re         | eactivity                             |                               |
| 10.1. Reactivity                     | saointy                               |                               |
|                                      | Stable under normal conditions.       |                               |
| 10.2. Chemical stability             |                                       |                               |
|                                      | Stable under normal conditions.       |                               |
| 10.3. Possibility of hazardous re    | actions                               |                               |
|                                      | None.                                 |                               |
| 10.4. Conditions to avoid            |                                       |                               |
|                                      | None.                                 |                               |
| 10.5. Incompatible materials         |                                       |                               |
|                                      | Acids. Alkalis. Oxidising agents.     |                               |
| SECTION 11: Toxicological i          | nformation                            |                               |
| 11.1. Information on toxicologica    | l effects                             |                               |
| Acute toxicity                       | No Significant Hazard.                |                               |
| Skin corrosion/irritation            | No Significant Hazard.                |                               |
| Serious eye damage/irritation        | May cause irritation to eyes.         |                               |
| Respiratory or skin<br>sensitisation | No Significant Hazard.                |                               |
| Germ cell mutagenicity               | No data is available on this product. |                               |
| Carcinogenicity                      | No data is available on this product. |                               |
| Reproductive toxicity                | No data is available on this product. |                               |
| STOT-single exposure                 | No Significant Hazard.                |                               |
| STOT-repeated exposure               | No Significant Hazard.                |                               |
| Aspiration hazard                    | No Significant Hazard.                |                               |
| Repeated or prolonged exposure       | No Significant Hazard.                |                               |
| 11.1.3. Hazard Information           |                                       |                               |
|                                      | Non hazardous.                        |                               |
| 11.1.4. Toxicological Information    |                                       |                               |
| Ethylene glycol monobutyl ether      | Inhalation Rat LC50/4 h: 2.4mg/l      | Oral Rat LD50: 470mg/kg       |

REGULATION (EC) No 1907/2006 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 18 December 2006 concerning the Registration, Evaluation, Authorisation and Restriction of

Regulations

# Supernatural Acrylic Spritz

#### 15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture

Chemicals (REACH), establishing a European Chemicals Agency, amending Directive 1999/45/EC and repealing Council Regulation (EEC) No 793/93 and Commission Regulation (EC) No 1488/94 as well as Council Directive 76/769/EEC and Commission Directives 91/155/EEC, 93/67/EEC, 93/105/EC and 2000/21/EC.

#### 15.2. Chemical safety assessment

No data available.

## SECTION 16: Other information

#### Other information

| Revision                     |   |
|------------------------------|---|
| I CONSIGNI                   | This document differs from the previous version in the following areas:.                          |
|                              | 9 - 9.1. Information on basic physical and chemical properties (PH).                              |
|                              | 9 - 9.1. Information on basic physical and chemical properties (Initial boiling point).           |
|                              | 9 - 9.1. Information on basic physical and chemical properties (Melting point).                   |
|                              | 9 - 9.1. Information on basic physical and chemical properties (Flash point).                     |
|                              | 9 - 9.1. Information on basic physical and chemical properties (Flammability (solid, gas)).       |
|                              | 9 - 9.1. Information on basic physical and chemical properties (Autoignition temperature).        |
|                              | 9 - 9.1. Information on basic physical and chemical properties (Explosive properties).            |
|                              | 9 - 9.1. Information on basic physical and chemical properties (Oxidising properties).            |
|                              | 9 - 9.1. Information on basic physical and chemical properties (Vapour pressure).                 |
|                              | 9 - 9.1. Information on basic physical and chemical properties (Relative density).                |
|                              | 9 - 9.1. Information on basic physical and chemical properties (Vapour density).                  |
|                              | 9 - 9.1. Information on basic physical and chemical properties (Evaporation rate).                |
|                              | 9 - 9.1. Information on basic physical and chemical properties (Freezing Point).                  |
|                              | 9 - 9.1. Information on basic physical and chemical properties (Fat Solubility).                  |
|                              | 9 - 9.1. Information on basic physical and chemical properties (Odour threshold).                 |
|                              | 9 - 9.2. Other information (VOC (Volatile organic compounds)).                                    |
|                              | 9 - 9.2. Other information (Conductivity).  |
|                              | 9 - 9.2. Other information (Partition coefficient).   |
|                              | 9 - 9.2. Other information (Gas group).   |
|                              | 9 - 9.2. Other information (Surface tension).   |
|                              | 9 - 9.2. Other information (Benzene Content).   |
|                              | 9 - 9.2. Other information (Product Subcategory).   |
|                              | 9 - 9.2. Other information (Lead content).  |
|                              | 11 - Serious eye damage/irritation.   |
|                              | 12 - 12.1. Toxicity.  |
|                              | 16 - Maximum content of VOC.  |
| Text of Hazard Statements in | Acute Tox. 4: H302 - Harmful if swallowed.  |
| Section 3                    | Acute Tox. 4: H312 - Harmful in contact with skin.  |
|                              | Skin Irrit. 2: H315 - Causes skin irritation.   |
|                              | Eye Irrit. 2: H319 - Causes serious eye irritation.   |
|                              | Acute Tox. 4: H332 - Harmful if inhaled.  |
| Maximum content of VOC       | 22 g/l.   |
| Further information          |   |
|                              | The information supplied in this Safety Data Sheet is designed only as guidance for the safe use, |
|                              | storage and handling of the product. This information is correct to the best of our knowledge and |
|                              | belief at the date of publication however no guarantee is made to its accuracy. This information  |
|                              | relates only to the specific material designated and may not be valid for such material used in   |
|                              | combination with any other materials or in any other process.                                     |
